

Mystery Photo – Week 27

The clue was: This is a small part of a much larger object. Can you identify where it is located? It is near a city viewpoint.

Answer: This is an old street marker

This street marker is located at the intersection of 2nd & Oak Streets at the top of the stairs that go down to the Conrad Dyar Memorial Fountain.

This spot is a favorite lookout place where you can view the harbor, watch the ferries come in, and even see Victoria on a clear day.
