

RESOLUTION NO. 20-07

A RESOLUTION of the City Council of the City of Port Angeles, Washington, approving goals for the City's 2008-2013 Water Use Efficiency Program.

WHEREAS, the City strives to ensure its citizens have a safe and reliable water supply through development, operation, and maintenance of water quality protection facilities; and

WHEREAS, on January 22, 2007 the Washington State Department of Health adopted a Water Use Efficiency (WUE) Rule requiring municipal water suppliers with 1,000 or more connections to develop a Water Use Efficiency Program for the period of January 2008 through December of 2013; and

WHEREAS, the State of Washington found and declared the conservation and efficient use of water to be a public purpose of highest priority; and

WHEREAS, the City Council, as the governing board of the City's water utility, must approve goals for the City's 2008-2013 Waste Use Efficiency Program; and

WHEREAS, on November 29, 2007 the City of Port Angeles held a public meeting to provide the opportunity for consumers and the public to participate and comment on the water use efficiency goals; and

WHEREAS, on December 18, 2007, pursuant to the procedures and requirements of the Water Use Efficiency Rule, the City Council considered and discussed the goals and comments received during the public forum relating to the City's 2008-2013 Water Use Efficiency Program.

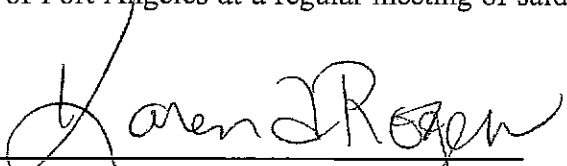

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Port Angeles as follows:

The City Council hereby adopts the following goals for the City's 2008-2013 Water Use Efficiency Program:

A. The City of Port Angeles Water Utility will implement a program intended to achieve a one percent reduction in distribution system leakage per year and improve the accuracy and accountability of the system through meter replacement and calibration.

B. The City will implement a program intended to achieve a two-tenths of one percent reduction in customer consumption per capita per year including offering a minimum of six water use efficiency measures across the Utility's customer classes.

PASSED by the City Council of the City of Port Angeles at a regular meeting of said Council held on the 18th day of December 2007.

Karen A. Rogers, Mayor
