

BUILDING RESIDENTIAL CAPACITY

Wednesday, June 9
6:00 - 8:00 pm

LIVE ONLINE

PRESENTATION & WORKSHOP

Live Online Workshop for Form-Based code updates to Port Angeles' Commercial Districts in order to increase housing and urban residential capacity.

The meeting will consist of a review of the fundamental principles of the code revisioning and an interactive poll and visual assessment survey for all attendees.

This online meeting will be video recorded and posted on the project webpage with a link to an online survey.

The Port Angeles zoning code turns 50 this year.

Please join us at a Special Planning Commission meeting to help plan the vision of our city for the next 50!
