### **I. SPECIAL MEETING**

#### **1. Climate Resiliency - Comprehensive Plan Integration**

The Planning Commission is hosting Cascadia Consulting Group and Berk Consulting at City Hall from 4:00 – 6:00 PM on February 8, 2023 for a presentation and discussion of the City’s effort to integrate the Climate Resiliency Plan into the Port Angeles Comprehensive Plan. The purpose of this meeting is to inform the Planning Commission of the progress made through the City’s participation in the Washington State Department of Commerce Climate Pilot Program, identify next steps in the process, and obtain feedback on draft policies.
