Weatherwise Service

To participate you must...

- ❖ Be a water utility customer of the City of Port Angeles.
- ❖ Install the qualified appliance in a residential building.

It's easy to participate

Step 1 The first step is to purchase and install a WaterSense labeled device.

Step 2 After you install the device, the next step is to complete and sign the application section of this brochure (see panels below and at right). **Be sure to include the Manufacturer and model number of the Device.**

Step 3 Mail your application and original purchase receipts to:

Weatherwise Service
321 E 5th St.
Port Angeles, WA 98362

Additional Water Conservation Rebates

Stormwater Green Infrastructure Rebates are available with the goal of reducing the amount of pollutants that enter the environment. Approved applicants may receive a Rain Garden rebate of up to \$1000 for the purchase of appropriate when building a rain garden.

More information is available on the City website <http://wa-portangeles.civicplus.com/256/Rain-Gardens> Or, contact the City Stormwater Hotline at 360-417-4830.

Notices

Not valid with other City offers. This is a limited offer and is only available for purchases made after August 31st, 2025 and before October 1st, 2028. The City reserves the right to change terms, rebates, and requirements without notice. The rebate shall not exceed the actual cost. The rebate is limited to the number of units required at the service address. The Rain Barrel rebate is limited to two per household. Products shall not be re-sold. A rebate is not available to replace defective products, for spares, or for replacement of products under the program. Payment of the rebate may take up to four weeks.

By signing the Rebate Application, you agree to the terms and conditions of this special offer. Furthermore, you certify the information provided in the application is complete, true, and correct. This is a limited offer and restrictions apply. You should consult your accountant or the Internal Revenue Service regarding the taxation of the rebate.

The City may inspect the customer's installation of appliances. Such inspection will verify the customer has water service from the City, and that qualifying devices were installed at the customer's Port Angeles service address in accordance with the City's offer.

The Customer shall indemnify and hold harmless the City, its officers, officials, employees, and volunteers harmless from any and all claims, injuries, damages, losses or suits, including attorney fees, arising or issuing out of or in connection with this offer, except as may be caused by the sole negligence or willful conduct on the part of the City.
