Port Angeles Municipal Code Update

The City of Port Angeles is updating its municipal code to establish regulations for mobile and itinerate vendors. This update includes defining the different types of mobile vendors, streamlining the permitting process, and integrating modern standards for health, safety and operations.

Why We Need Your Voice

Ultimately, we aim to expand access to diverse food and product options, enhance public safety, support local businesses and foster new economic opportunity. We need your input to ensure new regulations align with the needs, values, and vision for our community.
