

City of Port Angeles – Ocean View Cemetery – Frequently Asked Questions

- **I have an immediate need for services. Where do I begin?**
 - “Immediate” or “At-Need” services refer to planning that happens when a death is about to or has already occurred.
 - It is recommended that you have been in contact with a funeral home before submitting an immediate services request to Ocean View Cemetery.
 - Please fill out a Service Request Form in full and select *At-Need* in the *Requested Services* drop-down menu.
 - Include any details that will help our staff to gather the necessary resources to assist you.
 - After your submission is reviewed our staff will connect with you to setup a consultation appointment and go over any final details to process your At-Need arrangements request.

- **I need to make plans and arrangements for the future. Where do I start?**
 - Please fill out the Service Request Form in full and select *Consultation* in the drop-down menu.
 - After your submission is reviewed our staff will connect with you to setup a consultation appointment.

- **Do you offer marker and memorial services?**
 - Yes! We work closely with a variety of marker and memorial vendors. We strive to provide reasonably priced premium quality memorials and monuments for the community. We can also assist families in obtaining Veteran Markers & Memorials.
 - If you would like more information regarding Markers & Memorials, please fill out a Service Request form and select *Memorial Order* in the Request Services drop-down menu.

- **I'm having trouble locating a gravesite. How can I find more information about a gravesite location?**
 - Try out our new locate grave and walk-to-site system! [Locate](#)
 - Enter the details of the person you are looking for to begin searching. A list of names in our records will populate along with gravesite locations. If using a mobile device, select the person's name and press walk-to-site. Google maps will direct you to within 20 feet of the gravesite location.

- **I don't see the gravesite I am looking for in your location system. How do I locate?**
 - Our location and walk-to-site system is still under development. Archival records are being added daily. Please submit a Service Request Form and select *Locate a Decedent* in the Service Request drop-down menu. Please specify the person(s) to be located.
