

Lauridsen Boulevard Overlay Project

Community Update | 7/24/2019

Lakeside Industries Inc. is scheduled to begin construction on the Lauridsen Boulevard Overlay Project during the week of **July 29th, 2019**. Some of the highlights of this project are:

- Replacing Lauridsen Blvd.'s roadway surfacing with new Hot-Mixed Asphalt (HMA)
- Replacing sidewalk ramps to meet ADA accessibility standards
- Improving pedestrian and vehicle traffic safety with pedestrian refuge islands at designated crosswalks, installing designated turn lanes at Peabody Street, and installing traffic calming choker islands between Vine and Albert Streets.

The project limits are east of the Lincoln Street intersection and west of Lauridsen Court, as graphically shown below. Project completion is scheduled for the week of September 23rd, 2019. Please note that as with all projects - dates may change and work may be extended depending on weather, progress, and conditions.

YOU HAVE A JOB TO DO!

All construction projects in the roadway are inherently dangerous which is why it is imperative that we, as a community, work together to optimize safety. Just as the contractor is responsible to ensure you get through their jobsite safely, you have a responsibility to ensure their workers also make it home safe. **Ways you can help:**

- Commit yourself and your household to maintaining an increased level of awareness when passing through the project boundaries. Inform friends and family that are visiting the area.
- Whenever possible, take an alternate route to avoid the work zone.
- Give yourself extra time in advance so you're not rushed and stressed by traffic delays.
- When traveling through a construction zone, drive slowly, be on the alert, seek to make eye contact, and follow the directions given by traffic control personnel.
- Keep up-to-date with project notices and public service announcements. Periodic updates will be posted to the project webpage: <https://www.cityofpa.us/924/Lauridsen-Blvd-Overlay-Project>.
- And, if you see something unsafe – report it.

Thank you for your help in ensuring this project is a success. For more information contact Vince McIntyre, Project Manager, at (360) 417-4701 or, via email, at Vmcintyre@cityofpa.us.
