The City Council desires to allow the opportunity for Public Comment. However, the business of the City must proceed in an orderly, timely manner. At its most restrictive, Public Comment shall be limited to a total of 15 minutes for the first Public Comment period and shall be concluded not later than 9:45 for the second Public Comment period.

Individuals may speak for three (3) minutes or less, depending on the number of people wishing to speak. If more than 20 people are signed up to speak each speaker may be allocated two (2) minutes.

Individuals who are residents of the City or own businesses within the City will be called to speak first, with preference given to those who wish to speak to an item on the meeting's agenda. If time remains, the presiding officer will call other individuals wishing to speak, generally in the order in which they have signed. If time is available, the presiding officer may call for additional unsigned speakers.
