

PARKS & RECREATION DEPARTMENT
PR-0502 ADOPT-A-BENCH PROGRAM
INTEREST FORM

Adopt-A-Bench Interest Form

Are you interested in adopting a park bench to remember a loved one, celebrate a joyous occasion, or promote a business or organization? Read below to learn more about our Adopt-A-Bench Program and submit this form to express your interest in participating in the program. Submitting this form does not guarantee that you will receive a bench, and the waitlist for new benches may be up to one year from the date submitted. Similarly, bench locations are proposed, but the final bench location is determined based on availability.

About the Adopt-A-Bench Program: In 2018, the Parks & Recreation Department established an Adopt-A-Bench Program to replace its former Memorial & Donation Program. As part of this new program, the wooden memorial benches placed along the Waterfront Trail, City Pier, Marine Drive, and Ediz Hook will be removed, and new carbon fiber benches can be adopted and placed at these locations. This new program also allows for a limited number carbon fiber benches to be placed in certain City parks. The term of the adoption of a bench is 10 years. After the end of the 10-year adoption term, the donor may choose to extend the adoption term or terminate their adoption. All Adopt-A-Bench participants will be recognized with a ceramic plaque placed on the bench. The 5”x7” plaque is set flush in the center of the upper tier of the bench backrest. The ceramic plaques are fully customizable, and can include any combination of pictures, logos, and text. If your interest form is approved, a representative from the Parks & Recreation Department will contact you for next steps, depending on your request.
