

**LIVE  
Virtual CESCL Class**

In following safety protocols for COVID, we are offering the certification virtually. Things are constantly changing so please contact us for current details.

# Live Virtual CESCL Certification & Re-Certification Course

Hosted by: City of Port Angeles—A Zoom based training

**FULL CESCL 2 day**

April 7 & 8 2021

**\$365.00**

**RECERT 1 Day**

April 9, 2021

**\$160.00**

**Contact us for  
registration details and  
how to satisfy the field  
portion of the training.**

**Certified Erosion & Sediment Control Lead (CESCL)**

(BMP C160: required on 1 acre disturbed projects in WA  
and OR).

This will be a live ZOOM based CESCL training. You must create a Zoom account to participate. We will discuss the new permit and present new information.

*You must have a current (within 6 mo. of expiration) CESCL card to be eligible for the Recert course.*
