## III. PROJECT BACKGROUND INFORMATION

Please provide the essential background information about the existing property, the proposed activity to occur, purpose of the activity, and a description of the finished product.

## IV. CONDITIONS

1. Notify the City (417-4830) forty-eight (48) hours before beginning any permitted activity.

If Applicable:

2. "Fish Friendly" car wash signs must be picked up 24 hours before the car wash event and returned within 48 hours after scheduled completion.
3. The car wash kit must be picked up 24 hours before the car wash event and returned within 48 hours after scheduled completion.
4. A valid State issued driver's license must be presented to pick "Fish Friendly" car wash signs and/or the car wash kit.

Pressure Washing:

5. If you plan to discharge water from pressure washing into a storm drain, a NCSW Permit is required, however, soaps, detergents, and/or chemicals (biodegradable or otherwise) are **not allowed** to be used during the operation. If you plan to discharge the wash water into the sanitary system or disperse onto vegetation, a permit is not required.
